17 Goals to Transform Our World

Governments, businesses and civil society together with the United Nations have started to mobilize

Search

efforts to achieve the Sustainable Development Agenda by 2030. Universal, inclusive and indivisible, the Agenda calls for action by all countries to improve the lives of people everywhere.

In 2015, countries adopted the [2030 Agenda for Sustainable Development](#) and its 17 Sustainable Development Goals. In 2016, the [Paris Agreement on climate change](#) entered into force, addressing the need to limit the rise of global temperatures. Explore this site to find out more about the efforts of the UN and its partners to build a better world with no one left behind.
