Law Enforcement Arrested for Trading in Child Rape

The following summary of 103 law enforcement officers (LEOs) arrested for trading in child rape updates earlier research. In November 2014, I profiled seventy local and state police officers arrested on child pornography related charges—Police Trading in Child Rape & Torture. My research was out of date almost as soon as I hit publish. A year later I posted When Law Enforcement is the Perpetrator reviewing one month, November 2015, when more than two LEOs per week were in the news for trafficking in child sex abuse. This research is not comprehensive but rather a small sample of LEOs arrested and does not include federal law enforcement. Without institutional support, conducting a complete study of all local, state and federal law enforcement has not been possible.

As for the weak argument someone always seems to make, “there is a certain number of pedophiles in the population and the number within law enforcement is perfectly normal”—let me respond. No pedophile should ever wear a badge, carry a gun and swear an oath to serve and protect. Not one person trading in child rape should ever be employed in law enforcement. Ever. Period. If we cannot keep pedophiles out of law enforcement, what kind of country have we become? If law enforcement cannot

keep child rapists out of their ranks—what kind of “protection” are we paying for with our tax money?

Imagine, as you read these arrests, you are a parent reporting to police your child has been raped, or is missing or trafficked. How do you think the police here might have handled your complaint? How well do you think your children are being protected? These are real children being raped and tortured in the videos and images. American children. Every time an image/video is shared that child is trafficked again. Far too many police are involved in the trafficking.

Michael Harding's Criminal Complaint

Harding also raped his two stepdaughters, age 5 and 9, and produced child pornography of that abuse. He also

“attempted to set times to swap his stepdaughter for another pedophile’s child.”

In 2011, Harding had been named Officer of the Year. Harding is a registered sex offender.

William Allan Jacobs, 50 year old retired Police Chief of Minneapolis Park

William Jacobs

Minnesota, was arrested, 2010, on child pornography and child sex abuse charges and pleaded guilty, March 2012. He was sentenced, April 2012, to 18 years in jail.

After “five decades of unfettered access to children,” Jacobs was finally caught when a young boy reported being sexually abused over a three year period. Seventeen other men came forward claiming sexual abuse by Jacobs between 1962 and 1980 when he was a police officer and a camp counselor. There may be up to 20 to 30 other victims. Jacobs admitted he had been molesting boys since he was 19 years old. The local paper headlined “William Jacobs: The Minneapolis pedophile no one stopped.” Upon his arrest,

investigators found some 150,000 child rape images/videos in Jacobs' home.

Miguel Angel Martinez, a sergeant with Detroit Police Department (DPD),

Jonathan Gamson, a 53 year old Sergeant with Tampa Police Department

Jonathan Gamson

(TPD) in Florida, was arrested, 25 October 2010, on child pornography charges. He pleaded guilty, 4 February 2013, to one count of child porn possession in exchange for three other counts to be dropped and was sentenced, 8 May 2013, to four years and nine months in jail followed by 10 years of supervised release. Gamson possessed at least one image/video of a baby being raped and images/videos that showed a “little girl was bound and blindfolded and then photographed while someone sexually assaulted her.” The “little girl who was “hung by her wrists from the ceiling.” Investigators said the images, dating to 2006, are “sadistic” and “horrific.”

While child pornography is a heinous crime, the forfeiture statute does not include possession of child pornography as one of the “specified offenses” that allow a forfeiture of benefits. (A copy of the forfeiture statute is enclosed for your reference.) Any forfeiture proceeding against Mr. Gamson would therefore have to be premised on the catch-all definition of “specified offense” found in Florida Statutes Section 112.3173(2)(e)(6) (see attached). Under

24. Jonathan N. Gamson, formerly of TPD. Note receipt of letter dated 09/25/2013 from Special Forfeiture Counsel Ken Harrison of Sugarman & Susskind advising that given the investigation and facts of the case, forfeiture is not appropriate.

Tampa Fire & Police Pension Board

Gamson was involved with TPD's Sexual Predator Identification and Notification Program and, in 1999, was lead officer in an application to the Herman Goldstein Award. Tampa Police Department allowed Gamson to continue working, while he was free on bond, from October 2010 until 20 May 2011, when he retired with his filed marked "Retired: Not involving misconduct" enabling him to receive his \$6,253 per month government retirement. Gamson was in law enforcement for 25 years.

Robert Geist, a 44 year old Police Chief of Brecknock Township,

Pennsylvania, was arrested, December 2013, on multiple child pornography charges. In January 2014 Geist waived his right to a hearing in exchange for the dropping of many charges. On 8 April 2014, Geis pleaded guilty to three child pornography charges and remained free on bail until his sentencing, 25 September 2014, when he received five years probation and 100 hours of community service. Geist was the “number one possessor and distributor of child porn” in Pennsylvania. He was caught sending child sex abuse images and videos to an undercover investigator including a file called “6Yo babyj—Bedtime rape.” When investigators arrived at his father’s home, where Geist was living, Geist was already destroying his hard drive; however, investigators were able to recover files.

Kevin Wayne Dunn, a 42 year old Sergeant with Murfreesboro Police Department’s Special Weapons and Tactics unit in Tennessee, was arrested,

Kevin Wayne Dunn

23 November 2015, and charged on five counts of aggravated sexual exploitation of a minor related to child pornography. Dunn was indicted by a grand jury, April 2016, and sentenced, 29 November 2016, to 18 years in jail. He had been in custody since his arrest and received one year time served credit. Dunn was caught by an undercover police officer, trading in child rape on a Craig's List forum. Murfreesboro PD immediately terminated Dunn upon his arrest. Dunn is a registered sex offender.

Richard Woodhead, a 54 year old sergeant and former police department's court prosecutor with Attleboro Police Department in Massachusetts, was arrested, 6 April 2017, and charged with possession of child pornography possession and attempted receipt as well as attempting to entice a minor.

Richard Woodhead

Investigators found a secret compartment in Woodhead's bedroom closet where he hid images/videos of child rape. As of 12 April 2017, Woodhead was under house arrest on a \$10,000

unsecured bond pending his next court date. His case is currently sealed. Woodhead has been a police officer for 32 years.

Bell had downloaded “hundreds of images” of child sex abuse, including of children under 12 years old, on his work and home computers. He had been an officer with the US Capitol Police for 27 years. He is a registered sex offender.

Chad Howell

Department in Pennsylvania, was arrested, 23 February 2017, on 50 child pornography charges. Howell used his badge number and real name when trading in child rape including children as young as eight years old. He had uploaded child pornography to a public social media site, Pinterest. Investigators received 14 cyber-tips from the National Center for Missing and Exploited Children (NCMEC) about Howell's on-line activity, dating back to 2013. It is not clear why it took four years to make the arrest. Howell has been placed on unpaid leave. He is free on \$25,000 bond pending his next court date of 24 April 2017.

Valle's on-line name was Girlmeat Hunter. He engaged in arrangements with a man who offered his 3 year old stepdaughter as a sex slave and his two nieces, age 7 and 9, for rape. Valle also discussed plans to murder his wife, saying he would tie up her feet, slit her throat and watch the blood rush from her body. Valle's wife installed spyware on their home computer and discovered his on-line activity. She gave the computer to the FBI and fled the state with their one-year-old baby. Valle's computer was "loaded with crime-scene pictures of dead and mutilated women, twisted images of women being tortured and sexually

assaulted.” Valle illegally accessed the encrypted National Crime Information Database to research kidnapping targets. He had over 100 potential victims including names, photos, birth dates and bra sizes. Valle claimed, in chat sessions, that he was “drafting and revising an operation plan to abduct and cook an identified woman.” He had a file called “Abducting and Cooking: A Blueprint” and had downloaded chloroform recipes to subdue his victims. Valle agreed to do so for \$5,000 and said, “Just so that you know, she may be knocked out when I get her to you. I don’t know how long the solvent I am using will last but I have to knock her out to get her out of her apartment safely.” When the “client” tried to lower the price Valle said “I really need the money.” The “client” wrote “Just make sure she doesn’t die before I get her.” NYPD terminated Valle’s employment upon his arrest; however Valle told reporters, in 2016, that he wants his NYPD job back because he misses being a cop “every day.”

He was then sentenced to an additional three months in jail. Bowersox was caught by federal investigators discussing raping, mutilating and killing young boys in pedophile internet chat rooms. In one chat another pedophile wrote, “Every time I talk someone into rape, I always get a bit sad when they’re not into this.” Bowersox responded, “Oh, I’m ... into it, big time.” In another chat, Bowersox discussed how to locate a child to rape, torture and kill for child porn snuff production: “I know it can’t happen here, it’s got to be somewhere else with a bought kid or something. We’d definitely get caught if we did it here.” Bowersox replied, “Cambodia ... Thailand ... Mexico ... deep deep Mexico.” Images of local high school boys were
